

SANTA Needs Your Help!

Santa and his elves are working overtime to provide gifts for the abused, abandoned and neglected boys and girls of **McKinley Children's Center**. But, with over **500 children** in McKinley's various programs, Santa can't do it all by himself. He and McKinley Children's Center need your help to make sure lots of **toys** go down through the chimney with old St. Nick.

Would you consider purchasing holiday joy for one or more of the Center's boys and girls? Your monetary and in-kind gifts will help to make the season bright for these most deserving children, many of whom have never before celebrated a holiday or know what it's like to receive a gift from someone who cares.

Please see the reverse for a list of the children's most popular gift requests this year. For more information, or to request an individual wish list, please contact:
